Declarations for breakthroughs and solutions

Lord, I am grateful for Your promise to me, that You are always with me, and you never leave me or abandon me.

Lord as You were with David when he fought Goliath, your power and your angels make me victorious.

I will not lack any good thing, even when I may experience lack as in the Cana wedding.

I declare and believe, Jehovah Jirah is my provider.

My Lord is doing a new thing for me, making a way in the wilderness and streams in the wasteland.

When I experience any storm, Lord Jesus commands it to be still and calms it.

Whatever be the situation I face, I am not limited by what I know.

I will rejoice and praise Jesus as I am in Christ Jesus, so are my circumstances.

I know God's loves for me, led Jesus Christ to die on the cross for me.
The very same God's resurrection power is available for me.

By Lord Jesus, I am able to run through a troop; and by my Jesus, I can
leap over any wall of hindrance.

I trust in the Lord with all my heart. I do not lean on my understanding.
In all my ways, I acknowledge Him, and He makes my paths straight.

Lord Jesus, I thank you that there are no limitations in the Kingdom of
Heaven.

I thank you Lord for reminding me about possible breakthroughs and
many possibilities.

Open my eyes of understanding to receive ideas and thoughts from the
throne room of Heaven.

I thank you Lord that there are no hopeless situations.

I know that you are Lord over my life and all my circumstances.

This is what the Lord says to me, his anointed child.

My Lord Jesus takes hold of my right hand

To subdue nations before me and
To strip kings of their armour,
To open doors before me
So that gates will not be shut.

The Lord makes all my ways straight
He rebuilds my city.
Men from East & the West will come to me
They will declare that God is with me
They will confess there is no other God but mine
